Besides, Prof. Danny Van Hemelrijk (Danny.Van.Hemelrijk@vub.ac.be) acts as overall ‘ombudsperson’. Do not hesitate to contact him for sensitive problems, he will treat the information as strictly confidential.

For more administrative issues or other problems you can contact the Briface coordinator Prof. J. De Ruyck (jdruyck@vub.ac.be).

Student representatives

Communication between students and staff occurs preferably through student representatives for each Master. For good representation we propose that every master would be represented by three students: two native Belgian (one N and one F) and one international student. Representative names will be collected in the course of the first weeks by sending a message to jdruyck@vub.ac.be.

Communication/learning platforms:

Our faculties are aiming at one common platform for exchange of information, but this is not yet operational. Please see with every professor individually how you will communicate.

For mutual access, you need to get a registration as ‘guest student’/’inscription administrative’ at the partner university.

For students registered at the VUB:

The registration as guest will be done automatically during the first weeks of the year, *no action required from you!*
No ULB student card is issued. As soon as your application is processed, you can login in the ULB learning platform [https://uv.ulb.ac.be/](https://uv.ulb.ac.be/). Only French, sorry!

For students registered at the ULB:

You must register yourself as a guest student, through the website [https://student.vub.be/en/specific-info-for-guest-students#application](https://student.vub.be/en/specific-info-for-guest-students#application). A VUB student card will be issued.
As soon as your application is processed, you can login in the VUB learning platform [https://pointcarre.vub.ac.be/](https://pointcarre.vub.ac.be/).

Access to other facilities:

Your student card gives access to most ULB and VUB facilities (mainly restaurant, library, etc). No action is required from your side. *As an exception, ULB students must produce their VUB student card for access to the VUB swimming pool!*
